TERMS AND CONDITIONS

By selecting services under one of Jenkins's annual service agreements, customer agrees to the following terms and conditions:

- 1a. The effective period of any annual membership Club shall be from the date agreement is signed and payment is received according to terms until one year from date (ex: Agreement and payment received May 1, 2020 will expire April 30, 2021, subject to inspection by Jenkins and approval of customer's HVAC equipment as suitable for inclusion under this plan.
- 1b. The effective period for any monthly Membership Club begins upon 1st automatic credit/debit payment and continues until cancelled in writing by the customer or Jenkins. Payments for monthly Membership Club will be charged to customer's credit/debit card on or about the 1st of each month. It is the responsibility of the customer to provide Jenkins with current credit/debit card information when enrolled in a monthly Membership Club. **Monthly Membership Clubs must remain in effect for at least 12 month. If you cancel early, the balance of payments for 12 months of Club Membership or any discounts earned as a Club Member, must be paid for at full price. Please initial here _____**
2. This Membership Club covers only those repairs and replacement of parts specified herein which result from normal operation of heating/air conditioning equipment, during the effective period of the Membership Club. Any person other than Jenkins's Authorized Personnel rendering repairs or adjustments to the equipment except as instructed by Jenkins will void this agreement.
3. Standard labor rates apply from 8:00 AM to 4:00 PM Monday thru Friday except holidays. Additional charges apply for services rendered at other times.
4. This Membership Club does not cover water leaks, water damage or damage caused by excessive dampness in or around the customer's property. Additionally but not limited to mold, mildew, fungi, or other growth caused by leaks, water damage or damage caused by excessive dampness in or around the customers property or any other cause are not covered by this Membership Club. Additional property owner's coverage for this type of damage is the responsibility of the property owner.
5. Jenkins shall not be liable for failure or delay to perform service called for under this agreement if such failure is, or delay results from: Strike or labor disturbance; fire; flood; lightning; frozen pipes; frozen fuel lines; contaminated fuel tanks; other acts of God, supply shortages; government laws or regulations; inability to obtain repair parts from our normal suppliers; failure of customers water or electricity supply; switch off; improper thermostat setting; inability to gain access.
6. Jenkins shall also not be liable under this Membership Club for customer's failure to use ordinary care in the operation of the equipment including but not limited to: customer failure to keep adequate water in boiler or fuel in tank; blown fuses, electrical switch off or circuit breakers tripped or off, or any other cause unrelated to normal operation of the equipment or which may affect Jenkins's ability to fulfill its' obligation under the terms of this agreement.
7. Fuel flow problems directly related to outside storage of fuel are not covered under this Membership Club.
8. If when due to age or obsolescence, it is no longer practical to continue servicing customers equipment, Jenkins reserves the right to rescind this agreement, or modernize the equipment (with the customer's approval and at customer's expense) which will continue this agreement.
9. This Membership Club will be automatically renewed unless cancelled by either party in writing prior to the expiration date.
10. All parts, equipment or labor not included under this plan will be charged to the customer at prevailing rates. The following parts are not covered under any plan: Heating boilers; fuel tanks; water tanks heat exchangers; air, fuel, steam or water piping; air, fuel, steam or water valves; zone valves; pressure relief valves; tempering valves; domestic hot water coils; combustion chambers; motorized zone control dampers; Duct or distribution system; equipment jacket; equipment doors and hardware; circulator pumps; low water cut offs; expansion tanks; feeder backflow preventers; all water side heating components.
11. This agreement is transferable subject to inspection by Jenkins. Once the maintenance is completed or one service visit is performed, there is no refund available on unused portion of the agreement.
12. We will make every attempt to schedule the maintenance that is included in the Plan. However, it is the responsibility of the customer to be sure to schedule the maintenance during regular business hours. If the free maintenance is not completed during the term of the Membership Club, there is no refund available at the end of the term of the Membership Club.
13. Jenkins's liability under this agreement is limited to the services specified in the agreement selected by and paid for by the customer, Jenkins shall not be liable for any consequential damages in any way arising out of performance or non-performance under this agreement.
14. Discounts available with membership plans cannot be combined with any other discounts, coupons or offers; nor can they be applied to contracted work.
15. Any service that involves going on a roof will have a \$60 additional charge.
